A Prayer for
Comfort and Solace

On Eagle's Wings

Having spent my formative years in a Catholic school, On Eagle's Wings was one of my favourite hymns that we sang during devotion. It is a prayer filled with hope and promise that there is a higher being who will watch over us and guide our every move.

With all the turmoil and challenges in the world today practicing Christians need to be reminded that through our faith and trust – we can count on the Lord to see us through, and his plans will be more phenomenal than we ever imagined.

These words are so powerful, yet comforting and relevant for today's world, that there leaves so little for me to say so please enjoy the words and the music of this beautiful hymn and meditate on all the possibilities!

**When things seem to be too complicated to handle ,do we seek solace from a Higher Being to guide us through the “dark”?
Do we find comfort to obtain shelter from a higher Supremacy, to guide us and get us on the right path**

*You who dwell in the shelter of the Lord,
who abide in his shadow for life, say to
the Lord: "My refuge, my rock in
whom I trust!"*

Is our faith in the Lord strong enough, to permit his infinite wisdom guide us towards a path that is phenomenal and better than we would have anticipated for ourselves ,in order to realize our fullest potentials and radiate like a sunbeam knowing that we are protected and cared for in his love.

And he will raise you up on eagle's wings, bear you on the breath of dawn, make you to shine like the sun, and hold you in the palm of his hand.

“Let go and let God” – he will always watch over you and protect you. He will ensure that we never truly want God does not abandon us when we come to him in earnest and our actions thereafter are in the honour and Glory of his name!

The snare of the fowler will never capture you, and famine will bring you no fear: under his wings your refuge, his faithfulness your shield.

In life our guardian angels appear in all shapes and forms. When we least expect it there are those who come into our lives and provide the comfort and support when we fall down and give us shelter from the “cold”.

For to his angels he's given a command to guard you in all of your ways; upon their hands they will bear you up, lest you dash your foot against a stone

Soar like the Eagle and know that God is right there beside you – he will not let you fall – he will guide and protect you and give you the courage and strength to move forward as He gently holds us in the palm of his hand

And he will raise you up on eagle's wings, bear you on the breath of dawn, make you to shine like the sun, and hold you in the palm of his hand.

The Finale

The journey of being human is one of mental and physical evolution. The challenge is to strike that perfect balance to fulfill our destiny.

We were never promised a perfect world, but we can strive to curb the imperfections and make the best of what we have and through His guidance and love we shall succeed!

"make you to shine like the sun, and hold you in the palm of his hand."
